Your Southern Venue

Located on the South East coast of the South Island, Dunedin is a small and vibrant city, home to precious wildlife, New Zealand's best university, quirky people and creative industry.

It is a city nestled in tree-clad hills at the head of a spectacular harbour. Dunedin is the main centre of, and the gateway to, the Otago region. Population – 123,000 (student population 25,000). As a major centre, Dunedin is serviced by frequent direct international flights and is well connected to other main cities around the country via an extensive domestic network.

Across Otago Harbour and Peninsula, or the majestic sweeps along the sandy beaches of St Clair, to the stunning little “secret places” such as Tunnel Beach and the haunting rocky tors and tussock of Middlemarch, our hinterland and the starting point for the Otago Central Rail Trail. The seaside settlements of Karitane and Port Chalmers provide the perfect setting to escape the city for the day.
